A Revolution in Movement K. Mitchell Snow 2022-11-29 Honorable Mention, Latin American Studies Association Mexico Section Best Book in the Humanities A Revolution in Movement is the first book to illuminate how collaborations between dancers and painters shaped Mexico’s postrevolutionary cultural identity. K. Mitchell Snow traces this relationship throughout nearly half a century of developments in Mexican dance—the emulation of Diaghilev’s Ballets Russes in the 1920s, the adoption of U.S.-style modern dance in the 1940s, and the creation of ballet-inspired folk dance in the 1960s. Snow describes the appearances in Mexico by Russian ballerina Anna Pavlova and Spanish concert dancer Tortóla Valencia, who helped motivate Mexico to express its own national identity through dance. He discusses the work of muralists and other visual artists in tandem with Mexico’s theatrical dance world, including Diego
Rivera’s collaborations with ballet composer Carlos Chávez; Carlos Mérida’s leadership of the National School of Dance; José Clemente Orozco’s involvement in the creation of the Ballet de la Ciudad de México; and Miguel Covarrubias, who led the “golden age” of Mexican modern dance. Snow draws from a rich trove of historical newspaper accounts and other contemporary documents to show how these collaborations produced an image of modern Mexico that would prove popular both locally and internationally and continues to endure today.
